Kids in the Kitchen … September Classes

A Super Suppers class is an excellent way for your children to learn the basic skills of preparing a meal AND try exciting new foods!

Every class typically offers a family-sized (3-4 people) meal from a variety of world cuisines. Dinners usually feature an entrée, bread, side and dessert—prepared by your child and snacks or a meal for the child during class too!

One of the kid's favorites is their chance to make and enjoy their very own personal-sized pizza during class—they roll it out, sauce and top it with THEIR favorite toppings and bake it to perfection!

The cost for each class is $50 per child (unless otherwise stated) and includes the take-home meals, pizza and treat PLUS their own chef's hat to decorate and keep!
