

# THE BEST OF KC GOLF

## READERS' CHOICE AWARDS

Readers' Poll Favorite Shoal Creek Golf Course

As the season winds down, we can reflect on 2007 Kansas City golf. From the popularity of the square-headed driver to kick off the season, to the inaugural The Watson Challenge in June, Kansas City experienced golf fever in the best way. *KC Golfer Magazine* thanks the community for its support over the last eight months, and we plan for even better golf coverage in 2008. As a tribute to our readers, we conducted an online poll where we surveyed *you* about golf in KC. Many of the responders are not members of private clubs—and do not have access to play them—so the results favor the public courses. Remember, this is an unscientific poll, where we compiled what *you* determined to be the “Best of” Kansas City Golf. Thanks again for being a part of golf in Kansas City, and here are the results of the poll:

*KC Golfer Magazine* believes there are strong points for every golf course in Kansas City, and had no control over voting results. You should play every course in Kansas City to make your own opinion. These are only opinions of some of our readers and *KC Golfer Magazine* cannot be held responsible for their votes.
