

Welcome to Revita Medispa

Revita Medispa focuses on providing you with a customized program of treatments that produce a more youthful appearance. Lily Seed, Medical Esthetician and Owner of Revita Medispa has assembled the people, the equipment and the skin care products required to produce world class results.

Lily's passion for skin care and the expertise of the Revita Medispa's team of physicians has made Revita Medispa London's premier Anti-aging Specialists.

We are also proud to offer London's only Visia Complexion Analysis System which can identify problem areas on your skin and recommend treatments.

Treatments

We specialize in designing personalized treatment programs to meet your personal needs. All clients receive a free consultation and skin analysis prior to the commencement of treatments.
