Why They Won

"A stylish bistro setting – decked out in earth tones and dark wood accents – sets the stage for owner Hanna Pham's modern twist on classic Vietnamese dishes, which infuses Singaporean, Chinese, and Californian accents. The seasonal menu takes advantage of farm-fresh ingredients, like grilled lemongrass lamb chops and crisp tofu sautéed with ripe mango. Not that hungry? Belly up to the bar for a selection of inventive small plates and potent house cocktails, such as the lychee martini." ~*The Wave Magazine*
