30-Day Money Back Guarantee

1-Year Limited Warranty

5-Year Subsidized Repair

Lifetime of Customer Service

The 1-year limited warranty on your bObsweep covers the battery, manufacturing defects, damages accrued during the shipping process, and damages that might occur during normal use of Bob. Consumable parts like brushes and filters are only covered if they were damaged before you started using bObsweep.

Adopting bObsweep from an authorized seller ensures you receive a new and original bObsweep robotic vacuum cleaner. All official bObsweep owners enjoy a lifetime of after-sale support in addition to the 1-year limited warranty and 5-year subsidized repair.

Resales and unofficial third party sales are outside of bObsweep's warranty. No third-party sellers (such as independent listings on Amazon, eBay, or Craigslist) are endorsed by bObsweep and they cannot attest to the authenticity of their listings or protect you from receiving products that are counterfeit, used, defective, or otherwise inconsistent with their strict quality assurance guidelines. As a result, they cannot provide the same support on products sold under bObsweep's name through these unauthorized sellers.
