What does bObi Pet's 2-year warranty cover?

bObi Pet's 2-year warranty covers damages sustained in the manufacturing process, shipping process, or during bObi's normal use.

This warranty does not cover her consumable parts, such as her brushes, filters, and batteries. It also does not cover damages sustained while using third-party parts or accessories not directly sold by bObsweep.

How long does the warranty last?

bObi Pet's warranty lasts for a period of exactly 2 years from the date you first purchased her from an authorized seller.

My 2-year warranty is over! Do I have to pay for repair services?

Don't worry — even after bObi's warranty is over, bObsweep will continue to share her health costs with you, regardless of the reason for the damage. For a full 5 years after you have purchased bObi, bObsweep will subsidize 25 – 50% of her health costs.

What are bObi Pet's extended coverage plans?

You can add an extended coverage plan to bObi Pet's Standard 2-Year Warranty for complete peace of mind.
