Basilico

Basilico Restaurant, located in Millburn, New Jersey was established by co-owners Mario DeMarco and Angelo Delbecchi, formerly of Sergio's, also in Millburn.

Basilico has a definite New York look and feel, which reflects in our food items. We use the best of ingredients. "Casual and chic" is how we have been described by reviewers. The atmosphere is warm, comfortable and energetic. Our goal is to maintain the highest level of hospitality, remembering that you are the guest, and it is our ultimate goal for you to leave thoroughly satisfied.

Special requests can be accommodated.

Basilico can accommodate private parties. We are a BYOB establishment in a no smoking environment.

The name Basilico is particularly appropriate as basil is the primary ingredient in pesto, which stems from Liguria, where Mr. Delbecchi and Mr. DeMarco grew up.
