

Dear Mehdi,

I wanted to thank you for going out of your way to accommodate me and my recent purchase of the Tropez Black Rosé wine. My flight from the East Coast to Mexico (via San Diego) was amazing. I couldn't believe that your company was willing to meet me at the San Diego airport baggage check during my layover. Thanks to you and your (handsome) staff, my friends and I were able to enjoy your FABULOUS wine for our event in Cabo San Lucas. When we run out, we'll be ordering again. I hope you can ship to the East Coast!!!

Sincerely,

Tanya B.

To Whom it May Concern:

I wanted to thank you for your recent delivery of wines to our restaurant. Your sales staff was very knowledgeable about your portfolio of wines, and your delivery person- I think his name was David, was a pleasure to work with. Thanks again for your professionalism and concern for local businesses like myself.

Dear David & Mehdi,

I just wanted to send a note to let you know how much I appreciate your help. I was in a bind and my wife knows Diedre, who referred us. We needed some great wine at an affordable price, and you delivered! I don't know where else I could have gone that would have been such a great help, and at such a great price. Everyone loved the wines...especially the Red from Oregon. (My wife says don't sell any more of it because she wants it for herself)

Your company is a rare find in a world of big fish. Thanks again for everything!!!!

Dearest Paul,

You're my new best friend!!! I was so madly in love with the new Ice Tropez that I recently tasted at the Fontainebleu event here in Miami, that I ordered a few cases for my store. My customers love them! I appreciate your help and am so thankful to have such a unique product for my customers.

Also, please extend my appreciation to your billing department. They were very helpful and accommodating with setting up my account with Lions Wines.

Thanks again, Paul. I look forward to working with you again.

Respectfully,

Jane R.
